Dear member,

In accordance with its Bylaws, The Hellenic Society Prometheas Inc., on **Sunday, November 22** will convene an Annual General Assembly meeting to conduct elections for a new Board for the next two years.

All members in good standing (those who paid their dues at least for 2014) are eligible to vote, including their spouses. Those who wish to serve on the Board or in committees may contact our Secretary Mrs. Eleftheria Frances through email at **epfrances@msn.com** or the President Lefteris Karmiris at 301-529-6112 **by November 15**. There will be no nominations on the night of the elections. By contacting us in advance, we will brief you on how the elections will be conducted.

We encourage our members, especially new ones, to join the Board or the Team of Friends and help with new ideas, energy and experience to ensure that the Society continues to serve our community well. We need new and young people to secure the future of this Society. To succeed in this, please consider becoming involved for the next two years. But even if you do not wish to be involved now, **please attend the General Assembly to show your support and elect those who will work on the Board.**

Since 1978 Prometheas has played a leading role in our community's cultural activities. With your help and support we can do even better in the future.

Following the elections process (which should end within one hour), there will be social hour and informal discussion on ideas regarding the future direction and activities of Prometheas.

Come to support our Society and enjoy an evening of music and fellowship!
Light refreshments will be available.

Sincerely,

The Executive Board of The H.S. Prometheas Inc.
