

*The Hellenic Society Prometheas
Presents*

SMYRNA

SMYRNA: THE DESTRUCTION OF A COSMOPOLITAN CITY 1900-1922

*A documentary film with unknown materials
from US and European archives*

Screenwriter, Director **MARIA ILIOU**
Historical consultant **ALEXANDER KITROEFF**
Production **PROTEAS, PROTEUS NY Inc.**

*"The historical documentary and the
exhibition are of great importance not only
because the audience will see unknown
images of Smyrna, the legendary city, but also
because at the same time the Iliou-Kitroeff
team brings a new perspective to the way in
which they tell their story."*

*Screenings funded by the Stavros Niarchos Foundation
are scheduled at 21 Modern Greek Studies programs
in selected US and Canadian universities
in Fall 2013.*

Prometheas will use the proceeds to fund Greek Language Education scholarships.

*Katzen Arts Center American University
4400 Massachusetts Ave NW
Washington DC, 20016*
