

THE HELLENIC SOCIETY PROMETHEAS

invites you to a web presentation by:

DR. NASSOS PAPALEXANDROU

**ASSOCIATE PROFESSOR, DEPARTMENT OF ART AND ART HISTORY
THE UNIVERSITY OF TEXAS AT AUSTIN**

Greek Antiquities as Diplomatic Gifts in Greek-US Relations after WWII

The lecture gives an overview of Nassos Papalexandrou's ongoing research on a significant number of ancient objects presented to US presidents or high-standing officials by delegations of Greek administrations after WWII. Papalexandrou shows that these precious artifacts epitomized not only key items in the political agendas of these delegations, but they also served as ideological symbols of Greece's political allegiances and identity in the increasingly polarized world of the Cold War period.

**WEDNESDAY, NOVEMBER 3, 2021
7:00 PM EST**

Follow the link below to attend the presentation, followed by a Q&A session:
